artistic project of the host organisation

- **fields of expression proposed for the residency:**

Domus Academy is interested in project investing design (Product, Interior, ...).

- **description the general artistic project of your structure:**

Domus Academy offers courses related to all the Design areas and promotes the Design culture in the world since more than 20 years.

- **particular frame offered for this residency:**

It will be hosted by the Master in Design program: a one-year course which features 50 students coming from all over the world.

- **the means of encouraging exchanges among different forms of expression:**

With its educational activities, Domus Academy tries to encourage students in exchanging experiences, in working together in multidisciplinary projects.

- **the means of fastering interactions with the human, social and economic contexts:**

The work of the residents involves constant interaction with the offices, which put the program of responsible social transformation into effect through projects developed in conjunction with public and private institutions, companies, cultural bodies and economic and production structures.

- **human resources which will enable the artist to develop his project:**

A person of its staff will be in charge of supporting the artist during all the stay.

- **material resources which will be available for the artist:**

An open space to be shared with other students, a computer lab and a technical lab (workshop).

- **ways of promoting the artistic work:**

A public exhibition will be organised and a catalogue will be published. Promotion and press office of the event will be provided.

description of the residency

- **description of the professional and artistic environment of the structure:**

Multidisciplinary, international, compelling.

- **description of the local environment and the standard of living:**

Milan is the capital of Design and Fashion. Higher quality cultural offer (fairs, concerts, events, exhibitions, etc.) affordable for any budget.

- **description of the means of accommodation and the distance from the working place:**

A proper residence will be provided at a distance of approximately 2 km. from the school.

- **amount of the grant (monthly):**

An allowance of 930 euros for 3 months will be provided.

- **financer of the grant:**

Comune di Milano – Settore Sport e Giovani is financing this residency.
